Metamora Grade School - MGS | Redbirds

Metrology is the science of measurement. It establishes a common understanding of units, crucial in linking human activities. Modern metrology has its roots in the French Revolution's political motivation to standardise units in France, when a length standard taken from a natural source was proposed. This led to the creation of the decimal-based metric system in 1795, establishing a set of ...

Homeschooling Curriculum: 5th Grade January 20, 2012. I've been meaning to do this post since September. A lot of you have asked about our curriculum and though it hasn't changed drastically since the beginning, I do tweak it every year in a effort to find what best suits my girls and their learning styles and our classical education goals.
