"Time" is a song by English progressive rock band Pink Floyd. It is included as the fourth track on The Dark Side of the Moon (1973) and was released as a single in the United States. Bassist Roger Waters wrote the lyrics and the music is credited to all four band members. Keyboardist Richard Wright shares lead vocals (his last until "Wearing the Inside Out" on The Division Bell) alongside ...

Today I found out around 85% of humans only breathe out of one nostril at a time. Even more interesting is that the pattern of switching from breathing out of one nostril to the other happens in a cyclical fashion, with about four hours or so between each switch typically; although, this can vary from person to person and vary based on your body position or nasal congestion.
