Diabetes is a chronic disease that requires a person with diabetes to make a multitude of daily self-management decisions and to perform complex care activities. Diabetes self-management education and support (DSME/S) provides the foundation to help people with diabetes to navigate these decisions and activities and has been shown to improve health outcomes (1–7).

Digital Transformation Training & Global Education Services

Education in the United States is provided by public, private and home schools.. State governments set overall educational standards, often mandate standardized tests for Kâ€™12 public school systems and supervise, usually through a board of regents, state colleges, and universities. Funding comes from the state, local, and federal government. Private schools are generally free to determine ...

Executive Summary. In its 10th annual survey of American public opinion, conducted in May and June of 2016, Education Next finds that the demise of school reform has been greatly exaggerated. Public support remains as high as ever for federally mandated testing, charter schools, tax credits to support private school choice, merit pay for teachers, and teacher tenure reform.
