

developing the public relations pdf

Public relations (PR) is the practice of managing the spread of information between an individual or an organization (such as a business, government agency, or a nonprofit organization) and the public. Public relations may include an organization or individual gaining exposure to their audiences using topics of public interest and news items that do not require direct payment.

Public relations - Wikipedia

1.1. DEFINITIONS OF PUBLIC RELATIONS –Public Relations is the deliberate, planned and sustained effort to establish and maintain mutual understanding between an organization and its publics. –
