WD 1TB My Book AV DVR Expander External Hard Drive - USB 2

Legal Disclaimer TV Guardian works with most cable and satellite receiver/DVRs. The DISH Network ViP722k and DirecTV HR21-200 & HR24-100 are known to have issues with how the closed captions data is delivered over the composite video output; consequently, they may be filtered inconsistently and have a lower accuracy rate with TV Guardian.
