The Essential Handbook For Business Writing

Business communication is information sharing between people within and outside an organization that is performed for the commercial benefit of the organization. It can also be defined as relaying of information within a business by its people.. Overview. Business communication (or simply "communication," in a business context) encompasses topics such as marketing, brand management, customer ...

- [Nick] Welcome to this course on Skype for Business. I'm Nick Brazzi. Skype for Business is the enterprise level version of Skype, that is used by large organizations to support instant messages, video calls, and online meetings between coworkers and business partners. I'll start by clarifying the difference between the consumer level Skype and Skype for Business.
