### **how to make bonnets pdf**

Bonnet has been used as the name for a wide variety of headgear for both sexes—more often female—from the Middle Ages to the present. As with "hat" and "cap", it is impossible to generalize as to the styles for which the word has been used, but there is for both sexes a tendency to use the word for styles in soft material and lacking a brim, or at least one all the way round, rather than ...

War bonnets (also called warbonnets or headdresses) are feathered headgear traditionally worn by male leaders of the American Plains Indians Nations who have earned a place of great respect in their tribe. Originally they were sometimes worn into battle, but they are now primarily used for ceremonial occasions. They are seen as items of great spiritual and political importance, only to be worn ...
