Electromagnetic Pulse and the Radio Amateur - Part 1

Protect and Survive was a public information series on civil defence produced by the British government during the late 1970s and early 1980s. It is intended to inform British citizens on how to protect themselves during a nuclear attack, and consists of a mixture of pamphlets, radio broadcasts, and public information films. The series had originally been intended for distribution only in the ...

Survival skills are techniques that a person may use in order to sustain life in any type of natural environment or built environment. These techniques are meant to provide basic necessities for human life which include water, food, and shelter. The skills also support proper knowledge and interactions with animals and plants to promote the sustaining of life over a period of time.
