Egocentrism is the inability to differentiate between self and other. More specifically, it is the inability to untangle subjective schemas from objective reality and an inability to understand or assume any perspective other than one's own.. Although egocentrism and narcissism appear similar, they are not the same. A person who is egocentric believes they are the center of attention, like a ...

History of the concept. The term ubuntu appears in South African sources from as early as the mid-19th century. Reported translations covered the semantic field of "human nature, humanness, humanity; virtue, goodness, kindness". Grammatically, the word combines the root -ntšì "person, human being" with the class 14 ubu-prefix forming abstract nouns, so that the term is exactly parallel in ...
