Tvind is the informal name of a confederation of private schools, humanitarian organizations, and businesses, founded as an alternative education school in Denmark circa 1970. The organization is controversial in Denmark, where it runs a number of schools primarily for troubled youth. Some former students and employees have described the organization and its controlling body, the Teachers ...

### **Northwest Urological Associates - Arlington Heights**

In demographics, the world population is the total number of humans currently living, and was estimated to have reached 7.7 billion people as of November 2018. It took over 200,000 years of human history for the world's population to reach 1 billion; and only 200 years more to reach 7 billion.. World population has experienced continuous growth since the end of the Great Famine of 1315-17 ...
