Brealey/Myers' Principles of Corporate Finance is the worldwide leading text that describes the theory and practice of corporate finance. Throughout the book the authors show how managers use financial theory to solve practical problems and as a way of learning how to respond to change by showing ...

### **Principles of Corporate Finance - Free eBooks Download**

Corporate finance is an area of finance that deals with sources of funding, the capital structure of corporations, the actions that managers take to increase the value of the firm to the shareholders, and the tools and analysis used to allocate financial resources. The primary goal of corporate finance is to maximize or increase shareholder value. Although it is in principle different from ...
