I must state at the outset that my comments here do not constitute a review of Graham Robb's biography of Rimbaud not in any strict sense that I know, not entirely, that is. I, for one, am unable to form any conception of another life that might approach a clear and accurate approximation of past reality by grappling with only one biography.

A lengthy in depth biography of the poet Arthur Rimbaud. I had read "The Illuminations" one of his key works of poetry though I have to say did not remember much about it. Also Rimbaud was one of Jim Morrisons' literary models in his music and poetry. Rimbaud obviously was a genius but like many his life was one of great tumult and struggle.

Rimbaud: A Biography by Graham Robb - Goodreads

For a comprehensive biography of Rimbaud, it's either this one or Graham Robb's book which came out around the same time, incidently, in the early 2000s. Enid Starkie's early biography is also a must-read but the later works are better overall simply due to the greater wealth of source material these authors had available.
