o After submission every database provides an unique accession number to submitted sequence after verification and duplication checks. If it is an unique sequence, then accession number is given as a single letter followed by 5 digit number, but recently due to huge number of submission two letters followed by 6 digit of number for accession number is now proposed.

Role of Bioinformatics in Various Aspects of Biological

International Journal of Engineering Research and Applications (IJERA) is an open access online peer reviewed international journal that publishes research ..
